

Dear Colleague,

It is with great pleasure that we extend an invitation to you to attend the First Nyhan Symposium on Saturday, February 9, 2008. The keynote speakers were all trainees with Dr. Nyhan at formative points in their careers, and their caliber will make this symposium a superb tribute to Bill Nyhan's many accomplishments over the past decades. Please join us.

Bruce A. Barshop, MD, PhD
Professor of Clinical Pediatrics
Biochemical Genetics Program,
Division of Genetics
UCSD- Rady Children's Hospital San Diego

Gabriel Haddad, MD
Professor of Pediatrics and Neurosciences
Chairman, Department of Pediatrics
Physician-in-Chief,
Rady Children's Hospital San Diego

FIRST NYHAN SYMPOSIUM

Saturday 9 February, 2008
